BUZĂU  
ROMÂNIA**

**LET'S DISCOVER THE TOWN  
AND THE COUNTY OF  
BUZAU!**

**A corner of the country, a point on the map, a colour. South-East of Romania, Wallachia, yet a boundary. The point where all the historical Romanian regions meet (Wallachia, Moldavia, Transylvania and Dobrogea) a junction of Romania. A county-border more exactly.**

- Buzau is not only the border between Wallachia and Moldavia, it also benefits from a different route, a geographical one. It combines mountains and plains. Now you are on the mountain picks at an altitude of almost 1000 meters, but in no time you can meet the beauty of the plain line. A hilly region traverses the southern county of Buzau, hills famous not only in Romania but also abroad. Pietroasele are hills, wine hills, as they are called Buzau.

# The Communal Palace in Buzău city, Buzău county

- The Communal Palace is an imposing building situated in the center of Buzau city, housing the City Hall and Local Council.

# Marghiloman Castle in Buzău city, Buzău region

Marghiloman Castle in Buzau has been admired by many tourists so far, it is an imposing building, in the French architectural style. In the same courtyard Albatros villa was built and it is ready to receive guests.

# George Ciprian Theatre in Buzău city

„George Ciprian” theatre is housed by the Museum of History of the city, a quite imposing building, being considered a real historical monument for its antiquity.

# Crâng Park in Buzău city, Buzău county

Set on an area of almost 10 hectares, the Crâng Park is the main attraction for tourists who visit the city of Buzau and for young people keen on walking outdoors.

# Vergu-Mănăilă House in Buzău city

Vergu Mănăilă House is a significant historical building of the city of Buzau, sheltering in its interior an important ethnographic collection.

# Sărata-Monteoru Spa in Merei commune, Buzău county

It is a seasonal spa of local interest and it was first known among locals for its salt water healing powers.

# Bozioru cave hermitages, Buzau County

Buzau Mountains have a less known side shrouded in mystery. One such place is the cave settlements Bozioru, Buzau. They are 30 and date back to the Bronze Age, at the time serving as shelters and places of worship.

# The Eagle Lake in Siriu commune, Buzau County

The Eagle Lake or the Bottomless Lake is located in a geographically area unique in its beauty. The beauty of the landscape is completed by the quite rare fauna and vegetation. Here we find the famous eagles and chamois, protected by law, being an endangered species.

# Siriu Dam in Siriu commune, Buzau County

Siriu dam is a dam created artificially by residents of the area. If you look from above you can see a sea of water in a sea of mountains.

# The Sculpture Camp in Magura commune, Buzau County

Magura Sculpture Camp was built between 1970-1985 and it represents an exquisite museum in the open air.

# Lopătari Alive Fires, Buzau County

Considered to be one of the most significant natural phenomena, Alive Fires come through a fairly simple phenomenon due to gas emanations existing in these areas. After achieving their ground, they appear like flames, called alive fires.

# The Muddy Volcanoes, Berca commune, Buzău county

A landscape full of mystery, already famous - so we could briefly characterize the natural mud volcano site. Their appearance fascinates us, generating a real lunar aspect, a true wonder of nature.

Both Buzau city, and the county itself offer many more tourist attractions, but to discover all of them you should see them yourselves!

The Romanian team thanks you for your attention and wants a good cooperation and a long lasting partnership with all the countries involved in this project!
